The background features abstract, overlapping geometric shapes in various shades of purple, ranging from light lavender to deep, dark purple. These shapes are primarily located on the left and right sides of the frame, creating a modern, layered effect. The central area is a plain, light gray, providing a high-contrast space for the text.

conversation practice

conversation practice
finding the noodle shop

pre-conversation vocabulary

A **food court** is a large area
where you can find a variety of different food

conversation practice #2
finding the noodle shop

Student: Excuse me, do you know if there's a noodle shop around here?

Stranger: Yes, there's one in the shopping mall nearby.

Student: Thank you! How do I get to the shopping mall?

Stranger: To get to the shopping mall, continue straight on this road. You'll see a big entrance sign for the mall on your right.

Student: Great, I got it. And where is the noodle shop inside the mall?

Stranger: Once you're in the mall, follow the signs that say 'Food Court.' The noodle shop is just by the stairs in the food court area, and you can't miss it.

Student: Thank you so much for your help!

The background features abstract, overlapping geometric shapes in various shades of purple, ranging from light lavender to deep, dark purple. These shapes are primarily located on the right side of the frame, creating a modern, layered effect.

Thank you!
